Please read all of the instructions and look at the pictures before attaching the ProClip.

1. Pull out the rubber sealant on the A-post slightly. Press the angled edge on the lower part of the ProClip into the gap and hook it around the A-post.
 2. Hold the enclosed gap opener so the text is facing upward/forward, toward the windscreen. Press the thin end of the gap opener into the gap between the A-post and the windscreen to widen the gap.
 3. Press the gap opener toward the windscreen to widen the gap a bit more. In the same time: press the angled edge on the upper part of the ProClip into the gap next to the gap opener. Pull out the gap opener.
 4. The ProClip is in place.
