4. Product Specification

Category	Specification
Model Name	A.V.S(Around View System)
Product No.	PMA-A1004
Video Input	4CH(front/rear/left/right)
	1.0Vp-p,75Ω,VGA NTSC
Video Output	1CH(Monitor Input)
	1.0Vp-p,75Ω,VGA NTSC
Output resolution	720 x 480
Camera	Horizontal angle of view 190°
Operating Temperature	-30°C ~ +75°C
Storage Temperature	-40°C ~ +85°C
Operating Power	DC12V(9~20V)
Power Consumption	9.55Watt(camera included 4EA)
Weight	650g(ECU standard)
ECU Dimension	155(W)x100(D)x32(H)

5. Q&A

Question	Answer
Manual view modes are not working	Please contact to provider or Customer Service Center.
Automatic view modes are not working	Please contact to provider or Customer Service Center.
Quality of certain camera is blurry.	Please wipe the lens with soft cotton.
