Insulated EV Tool Set

PART NO. LT-8490

Drawer 1 | Socketry (Ref 8484)

Ideal for hybrid and EV servicing and maintenance. Includes the most commonly used tools: 3/8"D ratchet, 15 x hex sockets, extension bars, Hex sockets, insulated torque wrench 5-30Nm, magnetic socket inserts, ratchet and a digital magnetic angle gauge.

KIT CONTENTS:

Part No.	Description
6146	Insulated Tool Kit 3/8"D 15 x 3/8 Sockets 2 x Extensions (75 & 150mm) 1 x 3/8 Ratchet
8389	Insulated Locking Ext 3/8"D 125mm
8390	Insulated Locking Ext 3/8"D 250mm
7932	Magnetic Socket Inserts
7560	Digital Magnetic Angle Gauge
8320	Insulated Torque Wrench 5-30Nm

Drawer 2 | Pliers, Cutters & Grips (Ref 8485)

The second drawer contains all the relevant pliers and cutting tools including a pair of insulated scissors and an insulated-cable knife.

KIT CONTENTS:

Part No.	Description
7483	Combination Pliers 180mm
-	Long Nose Pliers (from 6146)
7570	Bent Long Nose Pliers 200mm
-	Heavy Duty Cutting Pliers (from 6146)
7424	Cable Cutters 200mm
7423	Wire Stripping Pliers 160mm
7425	Insulated Water Pump Pliers 240mm
7426	Scissors
7427	Cable Knife
7428	Cable Knife Blades

Drawer 3 | Screwdrivers (Ref 8486)

The third drawer holds 7 screwdrivers, 7 star screwdrivers and 6 precision screwdrivers.

KIT CONTENTS:

Part No.	Description
5986	Screwdriver Set 7pc
7448	Star Screwdriver Set 7pc
7612	Precision Screwdriver Set 6pc

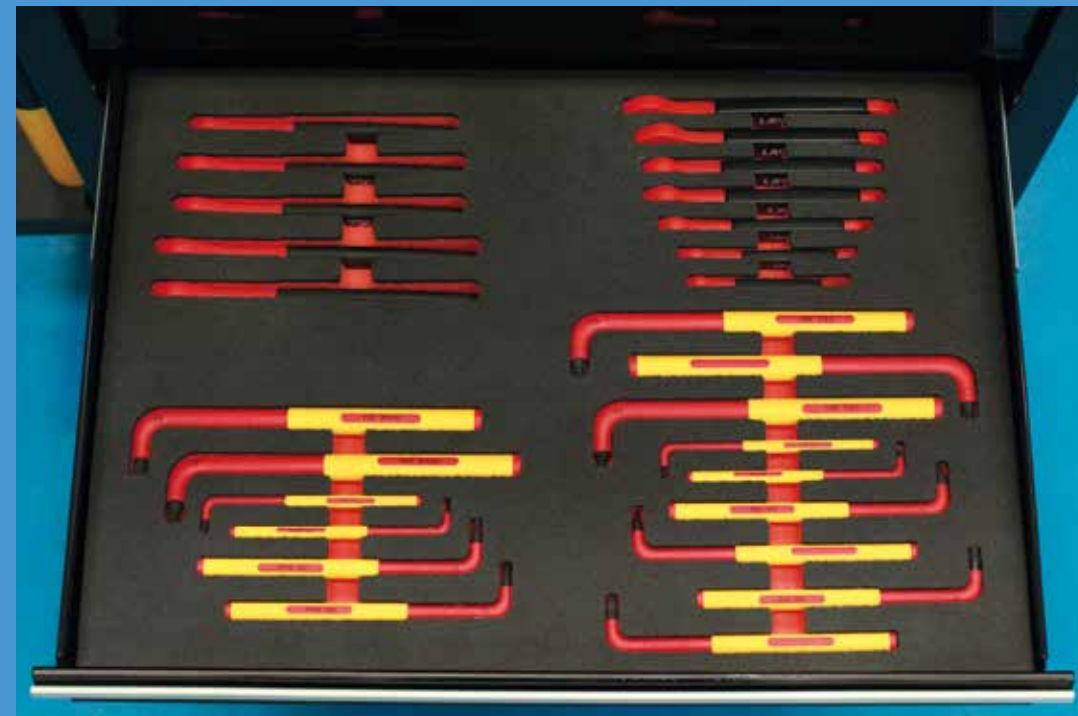

Drawer 4 | Wrenches & Hex Keys (Ref 8487)

In the fourth drawer, you will find five ratchet ring spanners from 10mm to 14mm, 7 open jaw spanners, 6 Hex Keys and 9 Torx keys.

KIT CONTENTS:

Part No.	Description
6048	Open Jaw Spanner Set 7pc
6880	Ratchet Ring Spanner VDE 10mm
6881	Ratchet Ring Spanner VDE 11mm
6882	Ratchet Ring Spanner VDE 12mm
6883	Ratchet Ring Spanner VDE 13mm
6884	Ratchet Ring Spanner VDE 14mm
5515	Hex Key Set 6pc
5516	Torx Key Set 9pc
7427	Cable Knife
7428	Cable Knife Blades

Drawer 5 | Miscellaneous Tools / Specialist EV (Ref 8488)

The fifth drawer contains a magnetic pick up tool, a pick up tool with claw grip, a mirror, insulated trim tools, a disconnect shut down timer, cable end covers, lockout hasp and a lockout padlock.

KIT CONTENTS:

Part No.	Description
7211	Magnetic Flexi Pick-Up Tool
7758	Claw Grip Pick-Up Tool
7885	Mirror 50mm
7551	Trim Tool Set 1000v 4pc
7477	Disconnect Shut Down Timer
7550	Cable End Covers 10pc
7942	Lockout Hasp
7943	Lockout Padlock

Drawer 6 | Test Instruments (Ref 8488)

In the sixth drawer, you will find a voltage tester, an insulation tester, slim fit test probes and mini amps clamps.

KIT CONTENTS:

Part No.	Description
6843	Voltage Tester 1000v C AT1V
6549	Insulation Tester 1000v CAT111
7917	Slim Fit Test Probes CAT111
6551	Mini Amps Clamp 80A CAT111

Drawer 7 | PPE & Signs (no foam tray)

The seventh drawer at the very bottom of the cabinet is slightly deeper than the rest and contains the safety items: Chain from the post and chain set, Arc Flash Face Shield and cover, insulated gloves, high voltage signs.

On the sides and back of the cabinet are a rescue pole, posts for the barrier set and locking tag station are fitted.

KIT CONTENTS:

Part No.	Description
61608	Post & Chain Set Black/Yellow
6638	Insulated Rescue Pole
6636	Arc Flash Face Shield
6637	Arc Flash Face Shield Cover
6705	Insulated Gloves Pack
7576	High Voltage / No Admittance Sign
7577	Danger High Voltage Sign
7941	Lockout Tags 10pc
8049	Hybrid/EV Warning Sign 10pc

Part No.	Description
8248	Hybrid/EV Roller Cabinet
7945	Locking Tag Station
