Vehicle: invoice date of the vehicle to the first customer, or date of first registration of the vehicle (whichever comes first) or max. 12 months after WT invoice date.	Vessel and Vehicle: at the invoice date of the product to the first customer or maximum 12 months after WT invoice date.	Invoice date of the vehicle to the first customer, or date of first registration of the vehicle (whichever comes first) or max. 12 months after WT invoice date.	At the invoice date of the product to the first customer or maximum 12 months after WT invoice date.	At invoice date repair job	At invoice date repair job	At invoice date	
Remarks	Installations without authorized validation and / or commissioning get limited warranty conditions, excluding - labor for de-mounting the part from the vehicle / vessel - traveling towards vessel or HD application								In case of extended warranty period: warranty only for the repaired part, NOT the complete product.	Warranty only includes the parts and labor the customer originally paid for.	Diagnosed by certified Webasto dealer. No travel and/or labor costs for removal and mounting of the Webasto product.
