

Qty	Description
1	5.0 L empty cylinder
1	Dip tube straight with cut bottom for Gas and Powder 5.0 L cylinder
1	Label Cylinder - FK-5-1-12 (a.k.a Novec™ 1230) 1230, 110 x 140 mm, English
5	FK-5-1-12 (a.k.a Novec™ 1230) 1230, 1 KG
1	ILP Valve Series "35", FK-5-1-12 (a.k.a Novec™ 1230) Gauge
1	Pressure gauge for FK-5-1-12 (a.k.a Novec™ 1230) 1230
1	Cylinder bracket Heavy duty for 5.0 L cylinder
1	Nozzle connector and discharge outlet for C series 15 mm (M22x1.5) x G3/8" - BODY
1	Feed Hoses M22x1.5, 50 cm
4	Galvanized Steel Tubes 15 mm, 100 cm
2	Tube fitting Straight coupling 15mm (M22x1.5) - SET (with rings and nuts)
2	Tube fitting Elbow equal 15mm, M22x1.5 - SET (with rings and nuts)
1	Tube fitting Tee equal 15mm, M22x1.5 - SET (with rings and nuts)
2	Nozzle connector and discharge outlet for C series 15 mm (M22x1.5) x G3/8" - SET (with rings and nuts)
2	Nozzle Gas for HFC and FK-5-1-12 (a.k.a Novec™ 1230) 1230, G3/8", stainless steel
6	Tube clamp, 15 mm - suits 15mm tube
2	Cable gland with locknut, Polyamide for 15mm steel tube
1	General Warning label for C Series 150 x 100 mm, English
1	Box for cylinder 5.0L and 7.8L
1	Box for accessories
1	BlazeCut Sticker Promotional, 110 x 68 mm
1	Remote actuator pneumatic, bulkhead mount with push in fitting for BlazeTube and LOP hose fitting, FK-5-1-12 gauge
15	Silicone cable 3 core, -60°C up to 180°C, UV stabilized, 3x0.50mm ² , up to 500 volt, per metre
2	Distribution Hoses M16x1.5, 100 cm
1	Distribution Hoses M16x1.5, 300 cm
1	200 Series Alarm Panel Kit without Fire Button, includes bracket, Pressure Switch, Deutsch connectors and labels, To suit FK-5-1-12 (a.k.a Novec™ 1230) Systems with BlazeTube

BlazeCut Fire Suppression Systems

Drawing Reference:
ILP KIT

System Part Number:
CNO35-5-1

System Description:

A 5Kg ILP system with one Cylinder and Pneumatic valve
1 Nozzle

This is an automatic detection system which the valve can be activated automatically or manually via a remote actuation device.

Note: Diagram for illustrative purposes only, not draw to scale, refer to kit bill of material for hose lengths and system inclusions

Design Notes:

Customer Reference:
Kaha - Finland
